

Deflector Method : GT Series

- Smallest nut dimension for downsizing an application.
- Short lead time and reasonable price on large scale production.
- For transfer machine, smaller stages where less accuracy is needed.

Model Number	Shaft Length	Diameter d	Lead L	Root Diameter d1	Number of circuits
GT0601HS-HDNR	250	φ6	1	5.3	1×2
GT0801HS-HDNR	250	φ8	1	7.3	1×2
